RED BANK • NEW JERSEY

## Red Bank ranked among the top 10 places to live in the United States by Money Magazine.

If you are looking for culture, arts, shopping, galleries, boutiques, nightclubs, restaurants, antique shops, live theater, an arts cinema, historic boutique hotels, and a calendar of events chock full year-round - Red Bank delivers, and in a way "Only One Red Bank" can!

The natural magnificence of our two-river "Only One Red Bank" area, creates an idyllic vista and recreational background for weekly summer events and festivals such as movies, jazz, blues, oldies in the park, sailing, rowing and kayaking. We also have winter pastimes and hobbies such as iceboating and skating. "Only One Red Bank" possesses some of the only public access clay tennis courts outside of France!

The July 3rd "Kaboom Fireworks on the Navesink" event is the fourth largest staging of fireworks in the country and one of the most iconic settings for an amazing display of fun and illumination over the river, creating memories for friends and family that last a lifetime.

Red Bank has a well-known musical heritage. One of the borough's most notable citizens, William "Count" Basie, a pioneer of swing music, was born in Red Bank in 1904, and remembered his hometown when he recorded the "Red Bank Boogie." One of the "swinging-est" places on the planet is the Count Basie Theatre. Favorite neighbors and musical superstars are Jon Bon Jovi and Bruce Springsteen, who regularly perform on the Basie stage or shop and dine in downtown Red Bank.

If having one world-class theater is not enough, the Two River Theater is one of the most critically acclaimed new performing venues around. The artistic choices of plays and entertainment are some of the most talked about and lauded presentations given on any stage in the world.

Historic architecture juxtaposed with some of the most creative modern designs delight visitors and residents alike. Beautiful brick sidewalks, Victorian street

lamps, soaring glass and stone elements make walking through this charming town an "Only One Red Bank" experience. The Antique District remains a destination for seekers of fine, historical or just fun furniture, collectibles and one-of-a-kind treasures and the seasonal Farmer's Market at the Galleria.

Culinary desires can be satisfied by sampling and dining at some of the 65 plus restaurants and eater-
